## Embarkation, Day 1, Resort Casual

"Twenty years from now, you will be more disappointed by the things you didn't do than by the ones you did. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore, Dream, Discover"

Mark Twain

### DEAR CRUISE DIRECTOR

**Question** - Is it possible for me to use my cellular phone onboard?

**Answer** - Absolutely! When the Sun is in port, you can connect to local roaming networks as permitted by your home carrier. When the ship is sailing out of range of land-based mobile networks, that's when Freestyle Cellular Service, through Cingular Wireless, will be available! Through an agreement with Cingular, NCL offers this advanced roaming network onboard, allowing you to make and receive calls while at sea, using your own mobile phone and telephone number! International roaming charges will be billed to you by your home carrier. When dialing to the US, Canada, Mexico or the Caribbean just dial 1, the area code and number, just as you would on land. For all other countries, dial 011, country code, city code and local number. Please note that NCL staff do not have access to your service information or billing records. Rates for usage on the Freestyle Cellular Service are determined by your home carrier. It can take up to 60 days for these charges to appear on your bill. Remember, as a courtesy to your fellow guests, please set your ringer level to silent while in dining areas and the theatre. Thank you.

There are associated risks with consuming raw oysters or animal protein, especially if you have a chronic illness or immune disorder. If you are unsure consult a physician.

## **Protect Our Oceans**

NCL recycles the ships refuse to help save our environment. Please be aware of the ecological balance that must be maintained.

In order to accomplish this, we ask all our guests to play their part by not throwing any debris overboard in the ports or while the ship is at sea. Please use the proper receptacles throughout the ship to dispose of garbage.

## **Smoking Policy**

We kindly ask you to please observe the designated smoking areas. The Stardust Lounge, All Restaurants and elevators are smoke-free environments. Please refrain from walking with or throwing cigarettes overboard as this may cause a fire. Cigar and pipe smoking is not permitted inside the vessel except Cigar smoking in the Cigar Bar and on all open decks.

## **Personal Safety**

**All sports activities are at your own risk.**

**Always wear proper footwear for sporting events and always use caution.**

**Decks are slippery when wet.**

For the safety of your children, the following rules have been established. We kindly ask for your assistance in enforcing them.

A parent's supervision for the use of elevators, public rooms, lounges, whirlpools and the Fitness Center is required. An adult must supervise children playing ping-pong or golf driving and while in the hot tubs. There are NO lifeguards on duty at the swimming pools or hot tubs.

Also, sanitation regulations bar children in diapers or who are not toilet-trained from entering swimming pools or spas.

No Children below 18 years of age are permitted in the Disco after 11 PM

## **Vacuum Toilet System**

Onboard the **Norwegian Sun**, vacuum toilets are technically the best system for water conservation and protection of the environment.

They are very efficient but also vulnerable at times. Please note that the vacuum system will not function if you flush any of the following: **cloth, small metal, plastic, sanitary napkins, tampons, diapers, paper towels, thick facial tissue & a large amount of toilet tissue.**

If one Toilet is blocked, at least 50 more toilets will stop working and create a major inconvenience to you & other guests.

### **Stateroom safes/Valuables**

Guests are reminded not to leave any unsecured valuables, jewelry, or money in the stateroom drawers or on counter tops etc. We suggest making use of the safes located in your staterooms. ### **Baggage distribution:**

We will be loading more than 4000 pieces of luggage onto the vessel; all luggages are subject to shore side screening before they are placed onboard the vessel. Therefore it may take a little extra time for your luggage to arrive to your stateroom. We appreciate your patience and understanding.

**An announcement will be made once all luggages have been distributed throughout the vessel:** if you are missing any luggage kindly report this Saturday evening to the reception on deck 5 in the Atrium.

**Strictly Enforced: Service and consumption of alcoholic beverages requires the minimum age of 21 years. NO adults are permitted to be purchasing alcohol for minors.**

### **Norwalk-virus or GI virus:**

All guests are **required** to report to the medical center onboard any symptoms of gastro intestinal illness.

NCL has worked very closely with the Center for Disease Control to enhance its shipboard cleaning procedures to prevent the transmission of the Norwalk or Norovirus.

You are likely to see many of these preventive, measures during your cruise. According to medical experts the best way to prevent colds, flu, and gastro intestinal illnesses is to wash ones hands with soap and hot water after using the bathroom as well as before consuming meals.

**Because we care;** we ask that all guests sanitize with Virkon provided all used gym equipment, Internet keyboards etc after use.
